Want to know more?

Read the '**Keeping Children Safe in Education**' document. We have copies in the staff room and the school office or ask our Safeguarding Team.

Visit the SAFEGUARDING page on our school website or go to

www.safeguardingchildren.co.uk

This is the North Yorkshire Safeguarding Partnership website and it will help you decide what to do next.

Our local / contextual safeguarding issues

- **Child Criminal Exploitation:** Children are encouraged, tricked or forced to take part in criminal activities (e.g. stealing, selling or holding drugs).
- **Vaping:** Health risks, exploitation.
- **County Lines:** Children are exploited to transport drugs from one place to another. The 'county line' is the mobile phone line used to manage the deals.
- **Online Safety:** Children putting themselves at risk online or being at risk of harm from other internet users or content.
- **Self-Harm:** Self-harm is when somebody intentionally damages or injures their body and is a sign of emotional distress.

MAST

The **Multi-Agency Screening Team** are responsible for looking at referrals and deciding the next steps to take. The DSL or DDSL send referrals to MAST for them to review.

LADO

The **Local Area Designated Officer** is responsible for managing allegations against adults who work with children.

The DSL or Chair of Governors would work with the North Yorkshire LADO to manage any allegation made against members of staff or volunteers working in school.
